Report to the Kentucky Library Association Board
Library Awareness Committee
Louisville, Kentucky
November 17, 2012

I submitted a list of the KLA 2012 Award winners to include in IN-FO-CUS.

I am bringing a suggestion to the Board to change the wording in the Blue Book on the timing for award solicitation and nomination deadlines. I'm also suggesting that committee members not be allowed to make nominations.

I have communicated with the 2012-2013 Library Awareness Committee about the duties of the committee.

I sent out information on the ALA webinar "Election Update and Connecting with the New Congress" to those who will be attending the ALA Legislative Days in May. I have signed up for the webinar to be held Monday, November 19.

Respectfully submitted,

Debbe Oberhausen
Chair
